July 2017

Mending Hearts

Volunteers Needed

As we are expanding into the community, we realize that our need for volunteers have increased. We have need for both online and local volunteers (Parke, Vermillion and Vigo Counties, Indiana). We are in particular need of volunteers to do marketing/public relations in their local areas (both online and in-person position), and a fundraising coordinator. Volunteers for the office meet in Clinton, Indiana. There are several other opportunities available as listed below:

- Administrative Assistant
- Financial Partners
- Grant Writing Assistant
- Group Facilitator/Co-Facilitator
- Marketing
- Public Relations
- Workshop Facilitator
- Other (Suggest your strength)

Self-Care

It's important that each day we do something for self-care. Something that brings us to a place of relaxation or self-fulfillment to provide a release or some loving care toward ourselves. In a day where busyness seems to be prevalent in our lives, it's good to slow down for a little time each day to take good care of us. Check out our current publication, Bridge of Hope for a list of hobbies and self-care activities.

Online Forum In Maintenance Mode

Our online forum is in need of a volunteer manager to market and oversee it. It is currently in maintenance mode and inaccessible while we work on revamping it.

Hope Recovery, Inc.

STATEMENT OF FAITH

Psalm 147:3—He heals the brokenhearted and binds up their wounds.

MISSION

The mission of Hope Recovery is to provide Christ-like compassion in the lives of trauma survivors by assisting them in recovery, providing support, resources, committed volunteers, and standards of excellence.

VISION

Hope Recovery aspires to work with professional mental health staff to assist in the supportive facilitation of trauma survivors in achieving their recovery goals.

Financial Needs Request

This time of the year is always the most difficult because it is vacation time, and families are busy with summer activities. We have remaining needs for the year for overhead expenses are \$439.87. This includes the remainder of our overhead plus toner and paper.

Our program costs for the remainder of this year are \$4200.00 for the printing and distribution of our resource booklets and trauma workbook for Parke, Vermillion and Vigo Counties, Indiana. These printing and distribution costs provide the resource booklets free to the community, while the trauma workbook is provided free to survivors of trauma.

In addition to the booklets and workbook, we will continue to offer workshops and support groups. Our online forum is being revamped and will be available mid to late July again.

If you would consider joining us as a financial partner for this summer to assist us in accomplishing the remaining program plans, it would be more than appreciated. All donations are tax deductible as allowable, and receipts will be issued for your donation. Thank you for your assistance in keeping services free to survivors.

Donations may be sent to:

Hope Recovery
